

# **This printable is back in the member's area at GoZen!**

**When the pandemic began, we wanted to support families and educators with more free resources. Each week since March of 2020, we have taken a printable from our paid member's area at GoZen! and released it to our entire email community as a gift. The gift is available during the week it is released.**

**This particular printable is back in the member's area and can be accessed with a Family, Professional, or Plus annual membership. Membership fees help us continue to create programs and resources year round. Our hope is to support the social and emotional learning of as many kids and teens as possible. Learn more here: [gozen.com](http://gozen.com).**

**Don't forget we still have an awesome printable available for FREE this week! You can get this week's printable by signing up at [gozen.com/printables/](http://gozen.com/printables/). If you're already signed up, look for an email from [renee@gozen.com](mailto:renee@gozen.com). If you're having trouble finding the email, reach out to us for help at [go@gozen.com](mailto:go@gozen.com). Thank you so much for being part of the community and for all you do to support children.**
